

## **KUBE ENGINEERING**

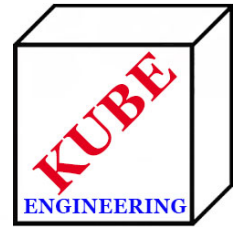

VALVES & INSTRUMENTATION: Sales \* Engineering \* Service

30298 Trois Valley Street, Murrieta, CA 92563

Phone (951) 926-0675

Email: [Quinn@kubengineering.com](mailto:Quinn@kubengineering.com)

Website: [www.kubengineering.com](http://www.kubengineering.com); [www.kubedist.com](http://www.kubedist.com); [www.kubesvc.com](http://www.kubesvc.com)

## **ANALYTICS**

Submersible Level Transmitters,  
Pressure transmitters,  
Autonomous Water Level Loggers,  
SDI-12 capability

Newly Advanced Well Bubbler  
System with solar, remote  
software, flow measurements,  
telemetry, NIST certificate.

SHINING LIGHT ON WATER QUALITY

Online TOC, BOD, SAC, COD  
Handheld UV254, UV254,  
Multiparameter, Homeland Security,  
Nitrate/Nitrite

## **FLOWMETERS AND EQUIPMENT**

Sludge Density Meters, **Mag Meters:**  
Zero approach mount anywhere,  
Microwave Density (TSS) Sanitary,  
Capacitance meters, Severe Service,  
Pure Water, Large Pipe. **10 year warranty**

High Quality pressure gauges,  
thermometers, diaphragm seals,  
needle valves. Bourdon pressure  
gauges. HVAC bimetal thermometers  
and accessories.

Multi Variable Vortex, Turbine,  
Ultrasonic, VorCone (cone) and  
custom-built flow meters. For  
liquid, gas, steam and energy.

\*Value Added Reseller

## **ACTUATORS**

**Failsafe Spring-return** Electric Actuators,  
modulating, on-off, explosion proof,  
damper actuators  
\*Value Added Reseller

Electric, Pneumatic, Scotch  
Yoke, Linear Actuators.  
Explosion Proof. On/Off and  
Modulating.

Electric and Pneumatic,  
Thermoplastic Valves, PVDF butterfly  
valves, Diaphragm Valves etc... \*Value  
Added Reseller

Kube Engineering is a Manufacturer's Representative and/or Value Added Reseller for the above mentioned products.

We specialize in sales, engineering, service and process solutions.

Quinn Eddins: (951) 926-0675 Phone- All

## **VALVES & PUMPS**

### **FLOMATIC<sup>®</sup> VALVES**

*High Quality Valves Built to Last...*

\*Value Added Reseller

Automatic Control Valves, Butterfly Valves, check Valves, Gate Valves, Plug Valves, Strainers, ball Valves.

**AWWA and NSF-61 approved,** depending on valve family.

Trunnion, Floating Ball, Double Block and Bleed, Rotary Control, Cryogenic, Power, Sub Sea.

Standardized 2-piece/3-piece ball valves, control valves, 3-way ball, top entry valves, trunnion, floating flanged, tri-clamp sanitary, metal seated, wide range of actuators.

**AWWA Valves**

Segmented and ball floating covers for insulation, algae, water evaporation. Leading manufacturer with 2.5M sqft manufactured each year.

### **WEFLO<sup>®</sup>**

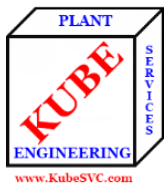

AWWA and Fire Protection Valves. OS&Y and NRS Gate Valves, Post Indicators, Large Diameter RSGV, Swing Check Valves, AWWA Fire Hydrants.

\*Value Added Reseller

Metering Ball Valves, Manual Diaphragm Valves, Air release venting valves, Gauge Isolators, **Back Pressure Relief Valves**, Paddlewheel Flow Meters, NaOH piping solution.

## **OTHER SERVICES**

Kube Services: Plant analytical calibration, maintenance and service. On-site.

Kube Flow Meter Calibrations: Provides local calibrations up to 6" and all calibrations up to 78". NIST Traceable

Mag Meter True Calibration services: We partner with a Class A contractor to pull, send out, calibrate and reinstall Meters. We also provide Mag Meter installations. NIST Traceable. Remember, you cannot calibrate mags in the field!

**Complete valve and actuator repair and refurbishment**

ADVANCED PROCESS SERVICES, INC.  
Keeping the process flowing...

Kube Engineering is a Manufacturer's Representative and/or Value Added Reseller for the above mentioned products.

We specialize in sales, engineering, service and process solutions.
